

piece of the overall ground water comprehensive plan in place now. But they will have to set up the rules and regulations, and I assume that they're going to adopt rules and regulations and have hearings on those rules and regulations.

SENATOR ELMER: Thank you, Senator Baack. I wanted to have this little discourse to establish very, very clearly by the record that the intent of the Legislature, in this particular portion at least, of setting up the state water management plan. Thank you, Senator Baack.

SENATOR CROSBY: Any further discussion on LB 588? Seeing none, you've heard the motion to advance LB 588 to E & R Engrossing. All of those in favor say aye. Opposed no. The bill advances. We will proceed with LB 588A. Senator Baack, excuse me, Mr. Clerk.

CLERK: Senator Hohenstein, I have no amendments to 588A, Senator.

SENATOR HOHENSTEIN: I move that 588A be advanced to E & R for engrossing.

SENATOR CROSBY: You've heard the motion to advance LB...Any discussion on LB 588A? Seeing none, you've heard the motion to advance LB 588A to E & R Engrossing. All in favor say aye. Opposed no. The bill advances. We will proceed with LB 332, Mr. Clerk.

CLERK: Madam President, 332 is on Select File. It has been considered on Select File. Enrollment and Review amendments have been adopted. There was an amendment pending at the time the Legislature last considered it. However, I do have a priority motion. That priority motion is from Senator Horgan, and that motion is to reconsider the vote on the Haberman amendment, specifically 890, found on page 1091 of the Journal.

SENATOR CROSBY: Senator Horgan, on your motion to reconsider.

SENATOR HORGAN: Thank you, Madam President and members. This motion is to reconsider Senator Haberman's motion of the other...the other day, on Friday when we were debating 332. And what the amendment deals with is...is the sticker that will be put on the...on the keggers. And Senator Haberman had an opportunity to explain this motion to a number of us, but there
